

**MOHAMMED UMAIR ALI** Web Developer Intern Phone: +91 8317699790 | Email: mdumair312@gmail.com LinkedIn: [linkedin.com/in/umair-ali-992b31328/](https://linkedin.com/in/umair-ali-992b31328/) Location: Hyderabad, Telangana

**OBJECTIVE** Aspiring Computer Science Engineer and Web Developer with a strong foundation in front-end technologies. Currently pursuing a B.E. in CSE, seeking to leverage skills in HTML, CSS, and JavaScript to build responsive, user-centric web applications during my internship at CodSoft.

## EDUCATION

- **Methodist College of Engineering and Technology** | Hyderabad, India
  - *Bachelor of Engineering (B.E.) in Computer Science and Engineering (CSE)*
  - Expected Graduation: 2028
- **International Indian School Dammam** | Dammam, Saudi Arabia
  - *CBSE Curriculum (High School)*

## TECHNICAL SKILLS

- **Languages:** HTML5, CSS3, JavaScript (Basic), C/C++, Python.
- **Web Technologies:** Responsive Design, Flexbox, CSS Grid.
- **Tools:** Visual Studio Code, Git, GitHub.

## PROJECTS

- **Personal Portfolio Website**
  - Designed and developed a fully responsive personal portfolio website to showcase academic and professional projects.
  - Implemented a modern UI with a dark theme, navigation bar, and downloadable resume feature using HTML5 and CSS3.
- **Travel Agency Landing Page**
  - Created a visually appealing landing page focused on alignment, typography, and color theory.

## CERTIFICATIONS & ACHIEVEMENTS

- **Web Development Intern** at CodSoft (Present).
- Active participant in college technical coding clubs.
